### Fathers, We Thank You

Robert Guinn

A father is more than someone you are connected to by genetics. Having worked with a children's home and now serving as foster parents, my wife and I have had our eyes opened to the reality that many fathers are absent. Not everyone has the blessing of having a father in their life. Whether they are absent physically, emotionally, mentally, or spiritually, the negative impact can be seen on a child. So, I want to take a moment to thank the fathers that fulfill their Biblical roles within the family. Thank you...

- For stressing the importance of God in the family (Psalm 127:1)
- For leading our families as Christ leads the church (Eph. 5:23)
- For providing for our families (1Tim. 5:8)
- For cultivating a self-sacrificing love for our families (Eph. 5:25-33)
- For training our children (Prov. 22:6)
- For encouraging our children in God's way (Col.3:21)
- For instructing and teaching our families in the Lord (Eph. 6:4)
- For showing compassion (Psalm 103:13)
- For talking about God's word (Deut.6:6-9)
- For seeing our children as a blessing (Psalms 127:3-5)
- For choosing to serve the Lord with our families (Josh. 24:15)
- For fearing the Lord (Prov. 14:26)
- For Walking in integrity (Prov. 20:7)
- For being willing to discipline (Prov. 13:24; 19:18)
- For encouraging our families to walk in truth (3 Jn 1:4)

You have made, and continue to make, a difference in the lives of our families and others by choosing the Lord as the centerpiece of our family. God bless you and help you lead our families in His ways.

*"Shout for joy to the Lord, all the earth.  
Worship the Lord with gladness: come  
before him with joyful songs."*

*Psalm 100:1-2*

### Father's Day Quote

**4 years:** My Daddy can do anything!

**7 years:** My Dad knows a lot...a whole lot.

**8 years:** My father does not know quite everything.

**12 years:** Oh well, naturally Father does not know that either.

**14 years:** Oh, Father? He is hopelessly old-fashioned.

**21 years:** Oh, that man-he is out of date!

**25 years:** He knows a little bit about it, but not much.

**30 years:** I must find out what Dad thinks about it.

**35 years:** Before we decide, we will get Dad's idea first.

**50 years:** What would Dad have thought about that?

**60 years:** My Dad knew literally everything!

**65 years:** I wish I could talk it over with Dad once more.
