Choose The Good Part

Jesus was in the house. What an important time. I'm sure everyone there was giving him undivided attention. Oh, I'm sorry, that was not the case. One person was too busy. Two sisters, one was listening, one was not. The one who was not, became angry with the sister who had been listening. You know the story of Mary and Martha. Evidently, Martha felt the need to care for the things in the house. She was "cumbered" or burdened down with serving. Listen to Luke 10: 40-41 "Lord, do you not care that my sister has left me to serve alone? Bid her therefore that she help me." Jesus responds, *Martha, Martha, you are careful and troubled about many things. But one thing is needful: and Mary has chosen that good part which shall not be taken away from her.*

Having Jesus was a blessing but Martha was too busy to enjoy that blessing. What blessing has God given you? Your mate, children, grandchildren, friends, or you church family? Never get too busy to enjoy those blessings.

Maybe women are especially guilty of this. It seems they are ALWAYS busy! The house needs to be perfect, household chores need to get done, children have to be taken care of. It might be that because so much has to be taken care of moment to moment, we're losing memories that can't be repeated. Men are probably guilty too. If we become workaholics we don't have time for God, Christ or the church.

Our Savior said, "Choose the good part." He then defined the "good part" by saying it was the things that could not be taken away from us. We can lose our health and our money in the blink of an eye. Family, friends, Bible study, the Church, God and Christ cannot be lost to us if used correctly. God wants us to live life to the fullest. He wants us to choose the good part. Focus your attention of the most important things, you won't be sorry.
